

# RC DUSTER'S TAILSPIN

Volume 6, Issue 1

January 2009

## From the Office of the R/C Dusters – December

Well, December 21<sup>st</sup> has passed, the shortest day of they year, so we can now look forward to longer and warmer temperatures. It won't happen over night, but at least there is hope. Before the Christmas Holiday, I purchased and delivered our Christmas plant (poinsettia) to the Sandwich Park District along with a card of thanks for our meeting place.

Speaking of Christmas, I hope Santa brought you something you could not live without, for the Hobby, at least.

The January meeting will be presided over by our new board. The 2008 Board wishes them the best of luck for the New Year, Lee, Chuck, Dave, and Bill.

Thanks for the opportunity to be the President for the 2008 Season.

Lee Ernest

CLUB MEETING  
SANDWICH PARK DISTRICT  
**JANUARY 14<sup>TH</sup>, 7:00 PM**  
DON'T BE LATE!!!

## Minutes from December

RC Dusters meeting was December 10th at the Park District. Meeting called to order at 7:02 by President Lee Ernest. Secretary report as printed in the newsletter. Motion to accept - Jay Leifeit. Second - Kevin Scott. Voted on and passed. Treasurer Bill Brubaker gave treasurer's report. Secretary had no new correspondence.

Lee had received a flyer on the Tri-Village swap meet, Feb. 7th at the DuPage Co. fairgrounds. Under old business, it was brought up that the nominations for the 2009-year officers were done at the Nov. meeting. Are they still open for any more? No more. Nominations as they stand are, President - Kevin Scott. Vice president - Steve baker. Secretary - Dave Erlenbach. Treasurer - Bill Brubaker. Motion that the officers as read be accepted - Jim Brubaker. Second - Chuck Brieschke. A vote was taken and passed.

Steve brought in some flyers on the Fox Valley clubs swap, Feb. 21st at the Kane Co. fairgrounds. There will be in a new well-heated building, not the old cold steel sheds. It was brought up if we would have a club table again, since it is a good moneymaker. The club has made at least \$600.00 in the last two years. Members can donate unused RC items, new or old. Vote was taken whether to have a table and all agreed to have it again. You can bring items to the Feb. meeting or get them to the swap early. There was no more business brought up.

### RC DUSTER'S TAILSPIN FUN FACT

## Minutes Con't.

Show & tell.

Chuck brought a Nitro Models Cessna 182  
ARF. A very nice looking plane he picked up  
on sale for \$99.00. It has an O.S. 46 -FX in it  
for power and has working flaps and much  
detail. Lee Ernest brought a World Models  
"Tame Cat" ARF. It has been around for 20-  
plus years as available plans. It comes with  
an included bomb drop built into it. He has a  
Magnum 46 for power. Bill Brubaker brought a  
Blade mCX micro heli. Little guy only weights  
one ounce. They are very stable to fly, but  
won't tolerate any wind. (John L. "blew " it  
out of the air !!)

Meeting was adjourned.

Respectfully submitted,  
Dave Erlenbach -Sec.

From the Membership Committee,

Members it is that time again to renew your membership. We have one of the finest Model Airplane fields around and for forty dollars a year it's a real bargain. In the newsletter this month you will find a membership renewal form please fill it out and send it to Bill Brubaker (address on form). The club needs to have the latest information such as e-mail addresses and phone numbers so we can contact you about events and get the newsletter to you. If you know of someone who is not receiving the newsletter please contact me at 630 464 7494 and I will pass the information on to Jason. We would like to have all the membership renewals in by the March meeting so please get them in as soon as you can.

Thank you. See you at the next meeting.

Steve Baker.
