

RC DUSTER'S TAILSPIN

Volume 6, Issue 11

NOVEMBER 2009

From the Office of the President

Greeting Dusters! We are now entering November, and Christmas isn't far behind. Time for all of us pilots to get our letters to Santa ready to ask for some new toys and supplies to keep us flight-ready!

The indoor flying season is in full swing in Hinckley. On behalf of the Sandwich RC Dusters Club, I would like to express a warm and heartfelt thank you to the Kishwaukee Club for allowing us to fly together. You can not find a finer setup in the area, and for only \$6 per pilot. What a great way to spend a few hours on a Saturday night, flying our micro flyers with friends. If you haven't had the opportunity to attend one of these indoor flying sessions on Saturday nights, please try to, if even just to watch. It is always a good time.

As we enter into November, I want to remind all the members that elections for the officer positions will be in December. As such, we will need nominations for the positions of President, Vice-President, Secretary and Treasurer. Be sure to come to the meeting to make your nominations. On the topic, I will not be accepting nominations for office next year. I am honored and grateful for the opportunity to serve the members as your President, and hope that I performed my duties in a manner acceptable to the group as a whole.

Minutes from October

Meeting of the RC Dusters Oct. 14th - 2009 at the Sandwich Park District. Meeting called to order at 7:02 by President Kevin Scott. Secretary report as printed in the news letter. Motion to accept - Chuck Brieschke. Second - Deane Goldstein. Treasurer report by treasurer Bill Brubaker. Motion to accept - John Lombardozzi. Second - Doug Roberts. Old business called for. It was noted that the fun-fly was a great success with great weather. It was suggested by the president that the date be moved a week later so as not to conflict with the Sandwich Fair. A motion was made to that effect. Motion - Chuck Brieschke. Second - John Lombardozzi. Voted on and passed. No more old business was brought up. New business called for. Chuck brought up the annual dinner. Should we start planning now? It was discussion on where and when. In March at the Courtyard in Somonauk was decided on for now. Bill B. brought up if we were going to have a Chili fly again this year. Lee noted that it will be the Sunday before Thanksgiving, November 22nd. Will be open flying with no contests. Instead of chili, will have chili-dogs. If you fly, there will be no charge. If you don't fly, there will be a \$1.00 charge. It will be held rain or shine. Eat at noon. We can also take down the barrier nets and frequency board that day also. Bill Horoszko from the Kishwaukee club was present and announced the start up of their indoor electric flying at the Hinkely school gym. Is a \$6.00 charge, fly from 6:30 to 10:30. A current AMA membership is a must. For \$3:00 more you can get pizza. Will go through Nov. and into Dec. and start back up again after the holidays. It was noted that Marty Covert holds a unofficial record for the number of days straight flying at the field. Twenty eight days with twelve different airplanes. Steve had a flyer on the St. Charles swap which will be Feb. 27th, 2010 at the Kane County fairgrounds. It was decided to have a club table there again. Bill B announced the I-Hobby Expo will be in Rosemont Oct. 24th & 25th No more business brought up

We will put the finishing touches on the Chili Fly coming up this month, and we can further discuss the Spring Dinner as well. As I said, be sure to come to the meeting so we can discuss these topics and others as well.

Clear Skies and Calm Winds,

Kev

CALENDAR OF EVENTS

2009 R/C DUSTER CALENDAR

Next Meeting:
Nov. 11th, 2009 @ 7:00 pm
At The Park District

Hinkley Indoor Flying
Saturday Nov 14th, 6:30pm to 10:30pm.

Minutes from September

Cont:

Show & tell

Chuck B. had a " Golden Era " Bipe he had built from AMA plans. It can fly as a bipe or as a monoplane with a single larger wing. Has a Super Tiger "91" for power. Dave E. and John L. had a couple EXI heli's. They are a low priced Chinese " clone " of a T-Rex, with all parts interchangeable with the T-Rex. Bill H. had a Park Zone foam Mustang and Sukhoi indoor flyers. Motion to adjourn - Marty Covert. Second - Deane Goldstein.

Respectfully submitted - Dave
