

RC DUSTER'S TAILSPIN

Volume 7, Issue 4

APRIL 2010

From the Office of the President

Members, we had a good turnout for the Dusters Dinner last month and I hope everyone had a good time. The Courtyard Restaurant did an outstanding job again this year. This is one event that our club has that almost all of our membership comes out for. I hope that some of you have taken advantage of the nice weather we have had to get some flying in. Last week Bob, Lee, Chuck, Marty, Chris, Doc and I were out at the field for most of the day and we had a good time out there and got a lot of flights in.

The field is in excellent condition. I believe we have one of the best flying sites around and with Marty's care it will remain this way for a long time to come. We won't have much to do on club field clean up day so please bring out a plane or heli and we will order a pizza for lunch.

The field has been rolled once with Marty's lawn roller, Ashley Covert was in charge of operations, she spent almost four hours out there so the next time you see her give her a big thanks. Marty Jr. has power washed the transmitter stand and it going to be repainted soon.

Now that we are well into spring we will start to have the meetings at the field. Starting in May thru August, providing the weather is good. If it looks like rain we will meet at the Park District building. It has been a long time tradition of this club to have club night every Wednesday evening out at the field. This has always been a great time for the club to get together to relax and get some flight time in. At the next meeting we should discuss a date when we want to get started with club night. See you at the field,

Respectfully,
Steve Baker
President RC Dusters

Minutes from March

Meeting was on March 10, 2010 at the Sandwich Park District. Meeting called to order at 7:17 by President Steve Baker. Steve gave thanks to all who helped at the club table at the Fox Valley swap. Lee reported that things went very well and brought good prices. Steve and Lee went to the Rockford swap and took some of the Dusters items also, but didn't make out very well. Steve reported that we made \$145.00 at the St Charles swap. There is a swap coming up April 3rd at Wheaton, the last of the season. It was discussion as to whether we should have a table there also. Chuck gave a round of praise to Steve for the way the St Charles swap went off and was handled. It was the best local swap of the year. Secretary's report of the Feb. meeting, as printed in the news letter. Motion to accept - Jim Brubaker. Second - Gerry Ruschke. Treasurer report by Treasurer Bill Brubaker. Motion to accept - Jim Brubaker. Second - Chuck Breischke. Dave E. noted that after the June issue of Model Aviation there will be no contest calendar in the magazine. It will be on the AMA website only. It was noted that the annual dinner is coming up March 20th at the Courtyard in Somonauk. New business called for. It was suggested that we set up a field clean up day. Sat. April 10th set as the date with Sun. April 11th as a rain date. Steve noted that the field would be rolled again this year with a fourteen ton Vibra. Lee noted that he had the pictures from the chili fly put on a disc but has been unable to get a hold of Kevin to get them put on the website. Deane suggested that someone besides Kevin should have access to the website so it can be kept up if he is unable to get to it. Steve will try to check with Kevin on the matter. Chuck B. volunteered to get the food and cook at our June fun-fly. No more business brought up.

Show&tell !! Chris Rerucha had a Great Planes Skybolt biplane. It is powered by one of the new O.S. 110 four cycle engines. It is all set up with Sullivan smoke etc. Meeting adjourned at 7:50.

Respectfully submitted, Dave Erlenbach, Sec.

Membership renewals are due at the March meeting so please renew your membership for the 2010 season. Any dues paid after March 10th will be \$45.00

See you at the club meeting

Respectfully

Steve Baker

President RC Dusters
