

# RC DUSTER'S TAILSPIN

Volume 7, Issue 1

JANUARY 2010

## From the Office of the President

Members, I hope you all had a great holiday season. I would like to thank our past President, Kevin Scott for doing a great job during 2009. Kevin had worked hard to put a RC Dusters web site together, and I think we all agree that he did a wonderful job. Good work Kevin.

Has anyone been flying in the snow this season, Marty told me that he has been out flying once already so that got me motivated to put skis on my PT-17 Stearman. I was out at the field the next day. Marty and Marty Jr. were also there but the wind got so bad (gusts fifteen to twenty) we decided to make it some other time. If anyone wants to go flying this winter let me or Marty know, we are ready to go.

I think at the meeting this month we should discuss the upcoming Dusters dinner. At the last meeting in November we discussed having the dinner at the Village Courtyard again. If anyone has another restaurant in mind please come to the meeting and let us know.

The Fox Valley swap meet is coming up at end of February, February 27<sup>th</sup> to be exact and we decided to have a RC Dusters club table, so anyone that has old airplanes or old junk parts, engines, or anything they would like to donate to the club bring it to this month's meeting. We will need someone to be in charge of the club table this year. I cannot help out because I will be running the Fox Valley swap this year.

## Minutes from November

Due to the cancelled meeting there are no minutes to report.

Club membership renewals are due by the March club meeting so please fill out the membership renewal form and mail it to Bill Brubaker or bring it to a club meeting. After the March meeting Bill is going to update the club roster and have copies available to all the club members, if you do not have your renewal form in you won't be on the roster.

See you at the club meeting.

Respectfully,  
Steve Baker

President RC Dusters
