

# RC DUSTER'S TAILSPIN

Volume 8, Issue 5

MAY 2011

## From the Office of the President

There is no report from the President's Office this month.

## Minutes from April

RC Dusters meeting April 13 - 2011 at the Somonauk Library. Meeting called to order a 7:02 by president Steve Baker. Secretary report as printed in the news letter. Motion to accept - Doc Yocke. Second - Kevin Scott. Treasurer report by treasurer Bil Brubaker. Motion to accept - John Koester. Second - Deane Goldstein. Was noted that we have 37 members to date. Was no correspondence other that we have received the renewal charter and insurance papers from the AMA. Committee reports. Marty was absent but Steve reported that the field had been treated with fertilizer and weed killer. Has been rolled with a small roller, but will be rolled again with a 14 ton, thanks to Aurora Blacktop. Was nothing to report from membership. Nothing from safety. Website. Kevin reported that it is OK and has been updated. He has been bombarded with phone calls though. The dinner went over OK with a good turnout, but was very slow from the kitchen because they had a unexpectedly large crowd there that night. We had been contacted by the AMA whether we needed any help finding a field as a result of a Park District convention that was held in Minneapolis. Steve called the Sandwich Park district concerning it, but the person that was at the convention was no longer with them and the one in charge now knew nothing about it so he just let it drop. Was discussion on the upcoming FAA regulations. Has been a lot of response from AMA members. Hopefully the will take note and not impose any kind of regulations on us. Lee noted that he and Gerry had picked up the fuel at LaGrange Hobby . Was a total of 48 gal. picked up. A thanks to him and Gerry for doing that. Wed. night will be club night at the field again this year. The May meeting will be at the field, weather permitting. Doc brought up about what the AMA insurance covers or doesn't cover. Was noted that your home owners insurance is primary and the AMA is secondary and will only pick up what you does not. If you have a event or fly somewhere other than your chartered field the AMA does not cover you unless you have applied for special event coverage.
